

BARBER INTRODUCES...

THE RADIUS WALK-BEHIND SAND CLEANER

The RADIUS is a self-propelled, walk-behind sand cleaner used for cleaning areas which are not easily accessible or where operators are limited to ground work.

Works well for:

- Beach Areas
- Golf Course Bunkers
- Playgrounds
- Volleyball Courts
- Horse Arenas

The RADIUS comes with two interchangeable mesh screens (3/16" and 3/8"). The entire machine is Hot Dip Galvanized for superior corrosion resistance. The RADIUS has a Honda 5.5 HP gasoline engine which is reliable and noise restricted. The RADIUS can remove various types and sized material, including: glass, cigarette butts, pop-tops, trash, animal waste, shells, stones and wood.
