

BARBER SAND MAN TT

Overview

The SAND MAN TT is the tractor-powered cousin of the Barber SAND MAN Model 850 walk-behind sand cleaner. Mounted to the 3 Point Hitch of a compact tractor, the TT utilizes the same proven sifting technology as the 850 allowing for the same stellar results in a fraction of the time. Stone, shell, glass, cigarette butts and other unwanted material are easily removed from the cleaning area and all from the comfort of the seat of the tractor. The mounting position of the SAND MAN TT provides for optimal maneuverability and a tight turning radius. Each unit includes Two (2) sets of Hot Dip Galvanized screens for efficiency in various conditions and applications.

Applications

- Beaches-Beach Cleaning and Grooming
- Horse Arenas-Grooming and Stone Removal
- Infields-Grooming and Stone Removal
- Seed Beds-Soil Grooming and Seedbed Preparation
- Volleyball Courts-Grooming, Fluffing and Cleaning
- Lake Shore Residences-Spring Clean up and Summer Maintenance
